

RULES OF THE ROAD IN FEATHER EDGE CONDOMINIUMS

Recently your Board members of Feather Edge Condominium and Feather Edge 2 Condominium Associations met to discuss important issues that effect the residents of both of our communities.

The most urgent issue of concern is parking, with speeding a close second. Please consider this a reminder of the parking rules and safety issues that everyone in our communities must follow.

NO SPEEDING! The speed limit is posted at 15 mph and is mandatory as you drive all the way through and on every street.

STREET PARKING is not permitted at any time. All units have a garage that should be used for vehicle parking. Vehicles should not block the sidewalks at any time.

Watch for children playing, people walking their dogs, bicycle riders, and pedestrians.

Renters and guests are obligated to abide by all the Condo restrictions the same as owners.
